## FAA recognizes David Apatu Plange

*West Halton-based pilot sets positive example*

By STAFF REPORTS

The FAA hopes new pilot training standards will enhance airline safety

The Federal Aviation Administration (FAA) is recognizing David Apatu Plange with inclusion in the prestigious FAA Airmen Certification Database.

The database, which appears on the agency's website at [www.faa.gov](http://www.faa.gov), names Plange and other certified pilots who have met or exceeded the high educational, licensing and medical standards established by the FAA.
